A close look at the current US administration's policies

Mr. Jacob Gelfand

Online session chaired by Walter Denz

Friday, April 24, 4 to 5 pm CEST

FDP International is pleased to invite you to a thought-provoking online session in English with Mr. Jacob Gelfand, a US Republican and highly experienced investment and global risk professional.

With more than 20 years of experience in macro research and analysis across fixed income, currencies, equities, and cross-asset portfolios, Jacob Gelfand brings deep expertise in geopolitics, emerging risks, global markets, asset allocation, and global macro investment strategy.

Jacob holds an MS in Computer Science and Applied Mathematics with Honors from the Moscow State University of Civil Engineering (MSUCE), Russia, as well as an MBA in Finance and Strategy with Honors from the University of Chicago Booth School of Business. He is also a Chartered Financial Analyst (CFA).

In this session, Jacob Gelfand will share his views on the current US administration's policies in the areas of international trade, geopolitics, national security, and migration. He summarizes his political position in the following words: "Trump's strategy is right, the implementation is poor."

This promises to be an engaging and stimulating discussion for anyone interested in American politics and international affairs. Walter Denz, who has known Jacob for many years, will chair the session and guide the discussion, which will conclude with an open Q&A for all participants.

You are welcome to share this invitation with friends. Please register [here](#) by April 22. A link to the session will be mailed to the participants in due time.

Looking forward to seeing you on April 24 online - FDP The Liberals International
